Please submit 3-5 pictures of your past booths or artistic items with application.

If you are selling vintage items or antiques, it is suggested that you send pictures of your booth at other events.

This show is curated and we are trying our best not to incorporate home-based businesses or vendors of commercially produced products. This does not mean you cannot have some, but we ask that you keep it to 10% or less.

- We ask that vendors are to supply their own canopies and tables. Booths are 10'x10'.
- Power is limited, it will be provided based upon request and explanation.
- July 7 sunrise is 5:10 AM and sunset starts at 8:54 PM.
- Saturday, July 7 our local farmers market will open at 8 AM. Vendors for the food truck rodeo will start to open their booths between 8 and 10 AM. Musical festivities in the amphitheater will start mid morning as well. We would like MLFMV&AM Vendors open at 8 AM on Saturday Morning and stay open till about 8 or 9 PM due to the amount of foot traffic throughout the day.
- Sunday will be a bit slower to open, 10 AM to 4 PM.
- There is no move out time as the area in use has one way in and one way out.
- We will put together a holding area that will be manned. It is not Moses Lake Farmers Market responsibility to tag items correctly.
- Moses Lake Farmers Market does not take a percentage of your sales and how you choose to price items is your business.
- Load in time Friday is 4 to 10 PM.
- Load out time Sunday is 4 to 10 pm.
- Parking for your vehicles and trailers is across the street in the designated parking area.
